

43rd Annual Potato Stomp

Saturday, September 10, 2022

Race Day Registration at 7:30am

1 mile Fun Run starts at 8:30am

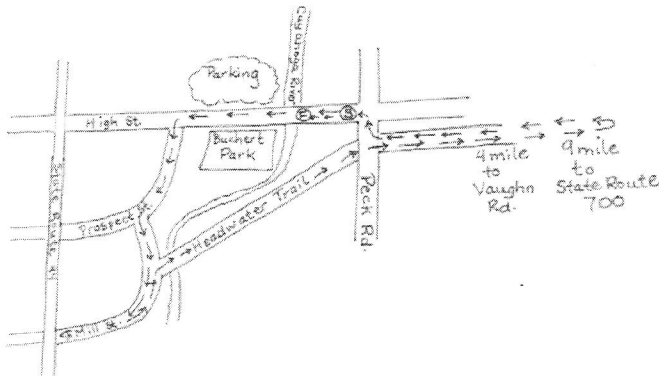

9mi and 4mi races start at 9am

Registration, Start and Finish are at Buchert Memorial Park, 4810 E High Street, Mantua. Due to traffic control, access the park from the west by turning on High Street from State Route 44.

We made changes for 2021 and will KEEP these changes for the 2022 race:

- Start and finish will be just east of the Mantua Village Park
- Parking close to the start / finish on the north side of Mantua Village Park
- Day of race registration and packet pick-up in park pavilion
- For the safety of the runners, a major portion of the 4 and 9 mile race course will be on the scenic and historic Headwaters Trail, a crushed limestone surface
- Awards will be given at the finish line

Course Map: Both the 4 and 9 mile races are out and back. The start is on High St. near Peck Rd. heading toward Mantua. For the finish we will exit the Headwater Trail at Peck Rd. and finish on High St. near the Cuyahoga River.

Link for registration and more information can be found at mantuapotatostomp.com
