

BLAST OFF
on Saturday,
October 1,
from 5-7 PM at
Observatory Park

An OUT-OF-THIS-WORLD event!

As the sun goes down on October 1, run, jog or walk as many course laps as you can in our two-hour race time frame. Each completed lap will equate to some amount of travel through our solar system — for example, one .85-mile lap takes you to Mercury, four laps and you've arrived on Mars, 10 laps gets you to Pluto, and so on. In this way, you will actually be racing *yourself* to see how far *out of this world* you can go! All who complete at least one lap will earn a Space Race medal, and you'll receive a ribbon when you "land" (finish) recognizing how far you went and which planet you reached. Awards will go to the top three male and female finishers. *Get ready for a race like no other...*

GCXC
RACE TIMING & MANAGEMENT

SUNRISE SPRINGS
water company

GEAUGA PARK DISTRICT

Race Start: 5 PM

Awards for 1st, 2nd & 3rd place overall (male and female)
